

## TOS NEWS | January 16, 2013

A few mid-month reminders and announcements....

The TOS Council Election **ends this Saturday, January 19th.**

Visit: <http://tos.org/vote.html> for details on how to cast your vote.

We congratulate David Karl on his selection as the 2013 recipient of the Alexander Agassiz Medal. See details at:

<http://tos.org/news.html>

As TOS celebrates it's 25th anniversary this year, let's encourage the next generation of ocean scientists to become student members in The Oceanography Society. Of the many students enrolled in graduate programs, only a small percentage are TOS members. Check with your students and colleagues to see if they are TOS members; if they aren't, encourage them to join by visiting: [http://tos.org/join\\_tos.html](http://tos.org/join_tos.html).

Thanks for supporting TOS!
